

OUR PROGRAM TONIGHT:

Traditionally we have a Christmas program in December. This year, however, I decided to make the program work with our trip to Hawaii. So the music that the Orchestra and Band will perform is what they played in Hawaii. The Jazz Band will be performing music from the 40's that was popular at the time, as well as 1 Hanukkah song and 1 Christmas song. Pandemonium will then end the program with America The Beautiful.

While in Hawaii the students were asked to tell us about 2 things they learned. Amelia Watkins went the extra mile and wrote a paper about the experience. Here is what she had to say about the Arizona Memorial:

“There is an air of reverence and sorrow that buries itself deep into one's soul. The importance of this place is something that every person should hold in their mind.”

I think her words speak for most of us that went on the trip.
