Thanks for a Great Season

U Remote was a fun show for us

This show concept and creation was new for our band. Completely written and developed in house, it was the first time we didn't buy a show already done. It was fun to create the concept as we went, even though it caused some interesting rehearsals. We hope you enjoyed the year as much as we did.

“Accomplishments”

BBI - No actual trophies, but out of the UT bands in our division we finished 3rd and had the best music score.

WFI - *Outstanding Music and 3rd Place. (Pict above)

Davis Cup - 2nd place.

*This is the first time the band has won the music caption, ever. For us this is the most important award.
