Exchange

Costs

Trip - \$1389

Flight* and Luggage - \$850

Meals Not Included in Trip -
\$100

Total - \$2339

*Air Fare is guessed high.

How about some details -

We could do a shorter trip and save some money. The plan indicated is 6 nights. There is a 5 night option (\$1289) and a 4 night option (\$1169) If everyone wants to save a little we can shorten the trip. Last time we did 5 nights and it was fine, but I'd like to add a school exchange and another performance opportunity to the trip, this is why I chose the 6 night option.

How do I Pay?

Fundraising will be our friend. Starting this month we will fundraise a ton. The other option of course is to make payments.

Keep up-to-date

First and most important - Join the band group for the trip:

See Mr. Gibson for link.

Second keep an eye on the Band and Orchestra Facebook pages:

facebook.com/uintahband

facebook.com/uintahorchestra

Third check out the web site on occasion for any public updates:

uintahband.net

uintahorchestra.net

Finally you can email me with questions:

gibson@uintahband.net

Starting with this month it would be -\$112 a month to pay the balance.

Who can go?

Any student that is currently in the band or orchestra program in grades 6th to 11th is eligible to attend. The older students will graduate 6 months before the trip, but will still be allowed to go. The youngest will be in 8th grade that year, but will also be allowed to go. Everyone else will be in the current HS program at the time.

Parents wishing to go as chaperones also may go, but their fees will not be covered by the fundraisers. They will need to pay the entire amount out of pocket. Also, you will need to pass a background check. This is an additional \$40ish to obtain. See me and I'll tell you what needs to be done.
