Your instrument.

Your music.

The list to the left.

DON'T FORGET A WATER JUG!!!!!!

A word about electronics and other entertainment devices:

We all love our electronics, especially me. However, we are going to be where we will have limited access to things. We will not have TVs to hook up an Xbox. There is no wireless internet access so your computers will not work on line. There is limited phone service, and we will not have them during practice time. Plan accordingly.
