A word about fees: Our Marching Band fees are as low as I can make them, and still run the program. I try to be very transparent with what the cost of participation is. We can provide fundraising opportunities to help pay the fees if needed.

New This Year : **All fees must be paid before school starts. If they are not paid the student may be asked to not participate.**

All past due fees and the Band Camp fee must be paid prior to going to band camp. No exceptions!!!!!!

I don't want money to be a reason students don't participate. However, the band does not have money to run the program without fees being paid. There have been too many students not paying fees in a timely fashion and this has warranted the change in policy. It costs us about \$25,000 to run the Marching Band part of our program. Last year that was about \$500 per student. We can find ways to make it work if all the fees are paid. If not we have to fundraise more and more, and none of us wants that. Please help us not stress about money, and pay your fees early.

*Optional this year - band students may keep their uniforms if they pay the actual cost of the purchase. If they don't want to keep the uniform the normal cleaning fee of \$15.00 will be collected. The actual cost has not been determined, yet.
